CHRISTMAS AT THE

Killarney Plaza Hotel and Spa

With another Christmas upon us, here at the Killarney Plaza Hotel & Spa, we believe there is nothing quite like the magic and spirit the festive season brings.

After an amazing 2018, we aim to bring our great year to a close by celebrating in style this December.

Our team have been exceptionally busy the past 12 months, with the launch of our brand new restaurant, The Tan Yard, where you will be greeted with plenty of comfy leather seating and low cosy lighting to enjoy your festive meal.

2018 also saw Café du Parc celebrate its one-year anniversary, while the newly renovated Café du Parc Bar was launched, offering a cosy and relaxed atmosphere to enjoy the Christmas merriment. For groups and parties, we have the Window Lounge, where your group can celebrate in an elegant private space, and enjoy the range of festive party packages on offer throughout the season.

To finish, we launched our new and improved website last month, which we hope will give you greater insight into who we are and what we have to offer our guests this Christmas, New Years and going forward into 2019.

So come enjoy the log fires, the mulled wine, and make your Christmas & New Years a truly memorable one this year, at the Killarney Plaza Hotel.

Things to do

the sky is the limit

Killarney - the vibrant town with plenty to see and do all year round – is especially magical during the month of December. With Christmas parades, festive events and plenty of nature trails to get you out and about, Killarney has a range of activities to suit all needs and is guaranteed to have something for everyone this Christmas season.

ADVENTURE TRAILS

With incredibly beautiful surroundings, and with the Killarney National Park on the doorstep of the Killarney Plaza Hotel, you are guaranteed plenty of options for hiking, walking and cycling to keep you fit and active this December.

HIKING

Cardiac Hill & Torc Mountain

With its winding path and spectacular views, Cardiac Hill is definitely worth a ramble. Not for the faint hearted, the trail is highly recommended if you are looking for a challenge, while your hard work will be rewarded with amazing views of the lakes when you reach the top.

If you want to do a longer hike, try Torc Mountain. Your journey to reach the top of Torc will allow you to take in breath-taking views of the famous Torc Waterfall and lakes along the way.

WALKING TRAILS

GAP OF DUNLOE

The Gap of Dunloe – a quick drive from Killarney, is a must see. Stretching 11km through the Black Valley, you can walk, cycle or climb through the wondrous views of the natural beauty.

KILLARNEY NATIONAL PARK

Spanning 26,000 acres, and one of the biggest areas of natural beauty in Ireland, Killarney National Park offers plenty of trails to keep you out and about.

A great place to start exploring is the Muckross Estate, just outside Killarney Town. Walks include visits to the beautiful formal gardens and historic buildings of the Muckross Demesne. You may even be lucky enough to spot some Red Deer along the way!

‘ If mountain, wood and water harmoniously blent, constitute the most perfect and adequate loveliness that nature presents, it surely must be owned, that Killarney has, all the world over, no superior.’

Alfred Austin, 1900
